NEP 2020

The **National Education Policy** (NEP) for India was approved by the **Union Cabinet of India** on 24 July 2020. It is based on four pillars which are Access, Equity, Quality and Accountability.

The main aim of the NEP is to improve the performance of students through various criteria. The main features of the NEP can be understood under the following heads:

Creativity

Students will be given some kind of activity to related to the chapter to make clear the vision of the chapter. It will help to enhance imagination.

Art Integration

This will relate the chapter with some art activity.

Experimental Learning

Through this, students will learn by doing. It is like DIY or Do it yourself.

Life Skills & Values

It will help to inculcate the moral values in the students.

Subject Enrichment

It will help to understand the chapter more through related subject matter.

Critical Thinking

It will help the students how to act or behave in any situation.

Computational Thinking

It will enhance the problem solving capability of the students.

Inter Disciplinary

It will relate the subject matter with other aspects.

Communication

Through this, the students will be encouraged to ask or to know more.

FORWARD

The series '**WONDERWORLD**' on Environmental Studies is based on the guidelines laid down by the CBSE Board. **New Education Policy (NEP)** focuses on the need of Environmental Studies. As the world is progressing in its environmental problems such as climate change, global warming, deforestation and pollution the need of environmental education is necessary. In New Education Policy, a sustainable development has been given on Environmental Education. The topics that have been included in this book make the transition from primary to middle school easier for the learners.

The main features of this series are as follows:

1. Powerful visual appeal with multi-coloured pictures.
2. Enjoyable fun activities.
3. Interactive and child centered approach has been followed to arouse interest in the students to enhance their level of curiosity.

We hope that parents and teachers will give prudential consideration and realistic approach to the book. Any suggestions for the improvement for this book shall be gratefully acknowledged and incorporated in the subsequent editions.

— Author & Publisher

Myself

A. Fill in the blanks.

1. My name is _____.
2. The name of my school is _____.
3. I am _____ inches tall.
4. My favourite colour is _____.
5. I weigh _____ kilograms.
6. The colour of my hair is _____.
7. My favourite cartoon is _____.

Self-Reliance 6

I am here when I was a baby.

Paste Your
baby-photograph here

Now I am _____ years old.

Paste your latest
photograph here

I live in

Paste Your

of India and locate your city

Moods I Carry

I Become Happy

- 😊 When my father brings play station for me.
- 😊 When my mother cooks my favourite dish.
- 😊 When I get full marks in exams.

I Become Sad

- 😞 When my father scolds me.
- 😞 When I am in pain.
- 😞 When I get less marks in class test.

Now rewrite these words and tell about my mood.

N	Y	R	A	G

d	s	a

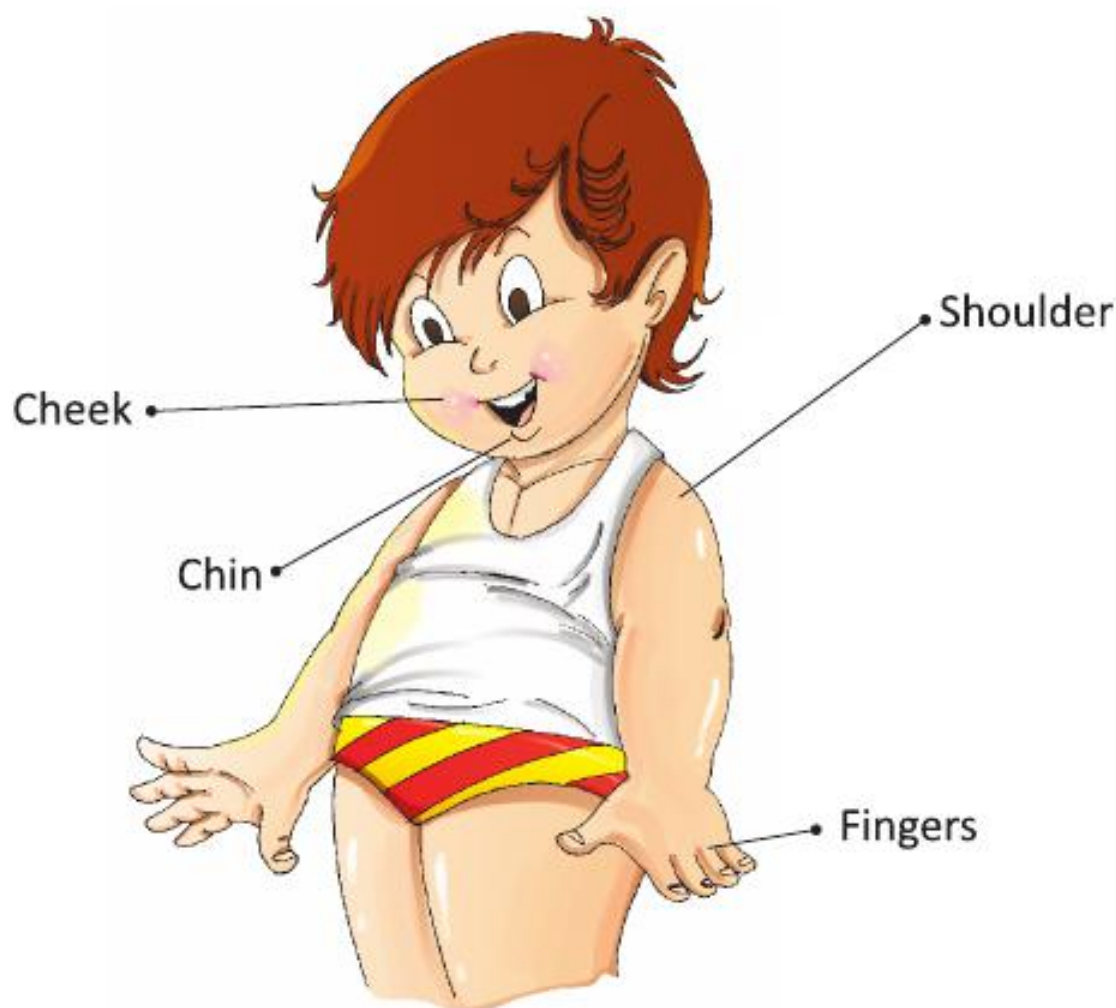

a	p	y	h	p

Colour it with your favourite crayons.

GOD MADE ME SPECIAL

Look at my chin, my cheeks, my shoulders and my fingers, all are special.
There is no one like me.

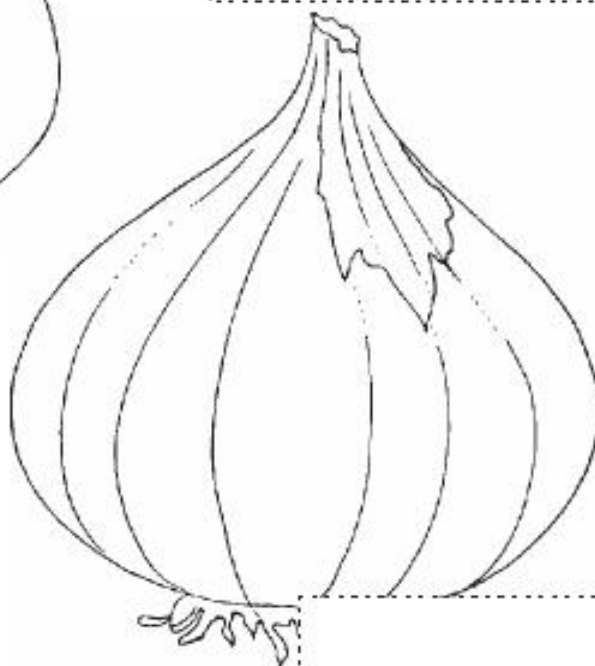

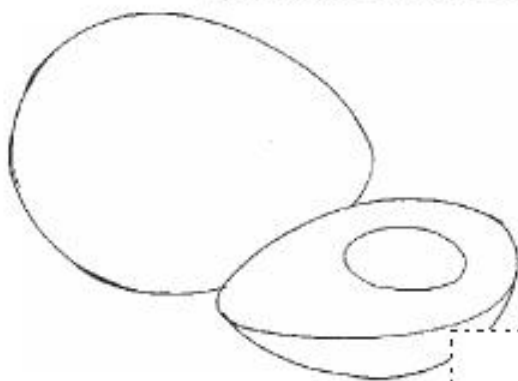

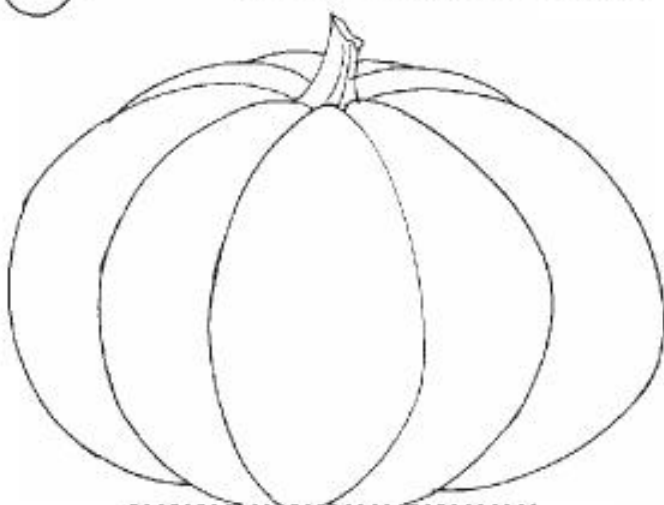

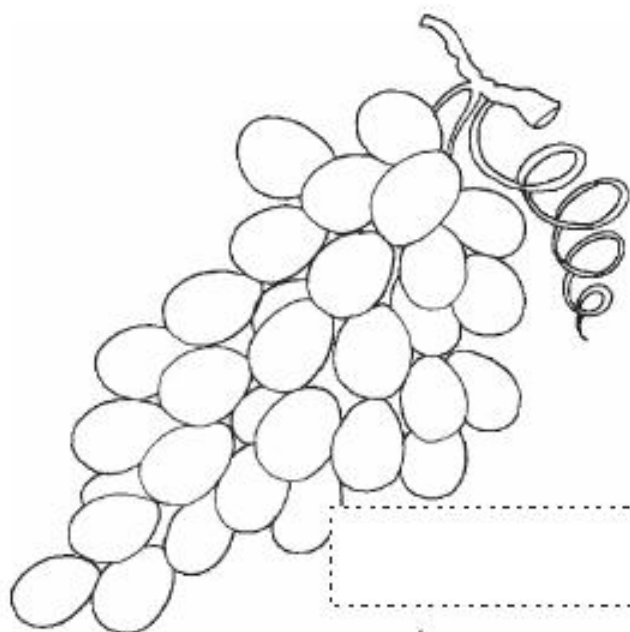

Everything is created by God changes except eyes.

My Favourite Food

Colour the food items and also write their names below : Subject Enrichment 

My Body

A. Label the Body Parts

Look at the picture and read the names of the body parts in the boxes next to the boy. Then, match the names of the body parts with their respective organ.

Subject Enrichment 

Hair

Ear

Shoulder

Elbow

Foot

Eye

Nose

Mouth

Arm

Hand

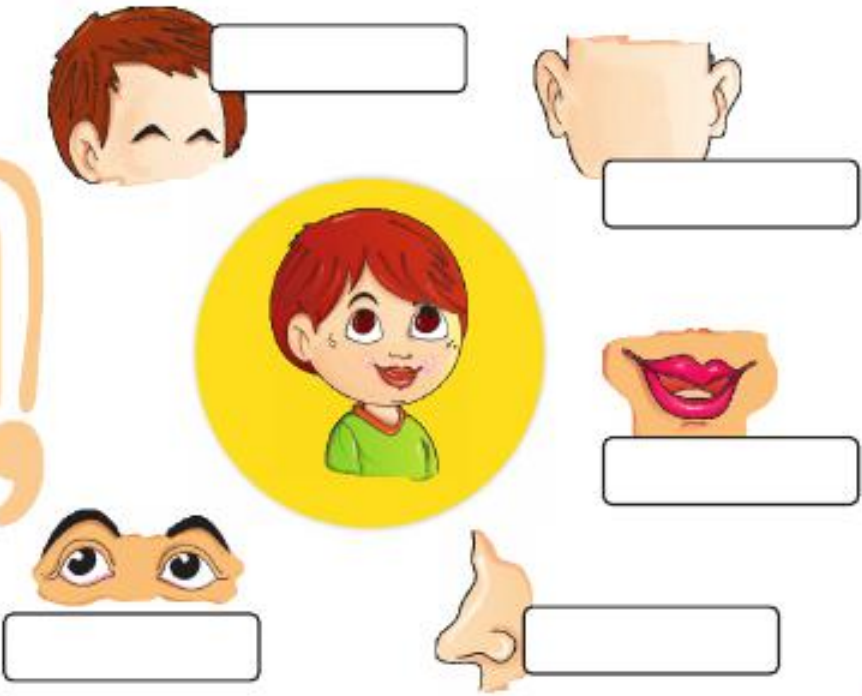

Leg

B. Name the parts of the head with the help of the helpbox.

mouth	ears	hair	nose	eyes
-------	------	------	------	------

“ BOTTOM LINE ”
 You cannot move your ears while most of the animals can do it easily.

C. I will take care of My Body!

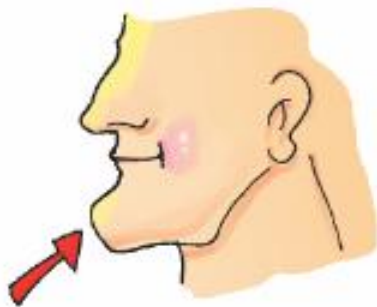

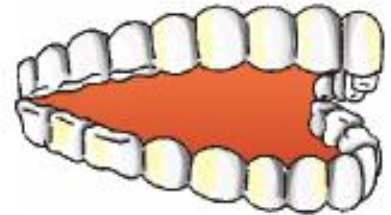

I will _____ I will _____ I will _____

I will _____ I will _____

My body is a TEMPLE!

D. Write the words with the help of helpbox.

HELP BOX

Nose

Hair

Leg

Teeth

Eye

Face

Chin

Ears

E. Complete the sentences.

1. I have _____ body.
2. I have _____ nose.
3. I have _____ eyebrows.
4. I have _____ fingers.
5. I have _____ ankles.
6. I have _____ ears.
7. I have _____ legs.
8. I have _____ hands.
9. I have _____ toes.
10. I have _____ face.
11. I have _____ neck.
12. I have _____ tongue.
13. I have _____ lips.
14. I have _____ chest.
15. I have _____ back.
16. I have _____ cheeks.

17. I have _____ head.
18. I have _____ elbows.
19. I have _____ mouth.
20. I have _____ shoulders.
21. I have _____ arms.
22. I have _____ chin.
23. I have _____ feet.

Paste your present
photograph

F. Unscramble the words.

1. doby –
2. enck –
3. hndas –
4. eetf –
5. bowels –
6. nhci –

Our Sense Organs

We have five sense organs.

The five senses are sight, hearing, smell, touch and taste.

Senses are very important. They help us perceive our surroundings and gather information about the world.

- A. Join the dots to complete the words and then match them with their appropriate body parts.

Hand Coordination

hearing

sight

smell

taste

touch

nose

tongue

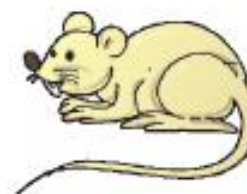

skin

ear

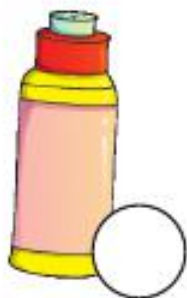

eye

B. Circle the pleasant smell.

C. Make a cross (X) to the unpleasant smell.

D. Match the food with the taste.

sweet

salty

sour

spicy

We hear through **EAR**. Through ear, we can hear very loud sounds and even hear very low pitch sounds.

EYE is the sense organ which helps us to receive most of the information about our environment. With the help of eyes, we can see various things around us.

We smell through **NOSE**. Nose helps us to smell different things.

We feel different things through our **SKIN**. The skin is the largest sense organ which covers our full body.

TONGUE is the sense organ which helps us to perceive the tastes—sweet, salty, sour and bitter.

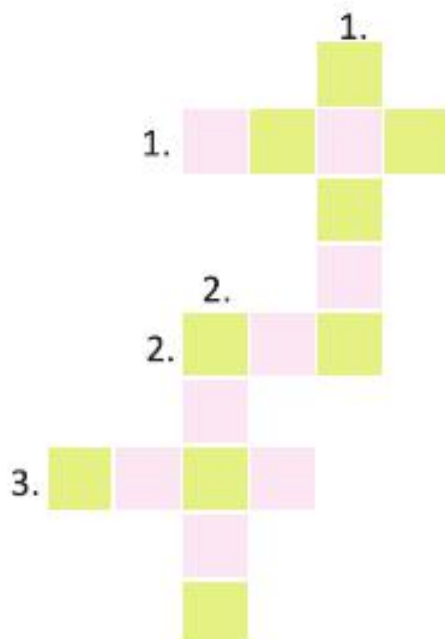

RHYME

My Five Sense Organs

I have eyes I can see
With my ears I can hear
I have a nose I can smell
With my skin I can feel
And with my tongue I can taste

- E. Our organs do wonderful things for us. Fill in the missing letters and find out what they do.

Across

1. Ears help us to
2. Eyes help us to
3. Skin helps us to

Down

1. Tongue helps us to
2. Nose helps us to

Home Sweet Home

Better than a higher hotel,
Home sweet home is a better to be there.

More than better areas for fun,
Home sweet home is a better for nap.

More than a vacation to great states,
Home sweet home is a better space.

More than a journey which costs a lot,
Home sweet home is a delicious to stay on.

After heaven before all,
Home sweet home is the best of all.

Home sweet home!

I'm Thankful To My Family For

PROVIDING DAILY FOOD

BUYING ME EXTRAS

PROTECTING ME FROM DANGER

BRINGING ME TO HOLY PLACES

TEACHING ME SKILLS

PROVIDING CLEAN CLOTHES

CARING FOR ME WHEN I'M SICK

- E. Write down all the people in your family. Where were these members of your family born? When were they born?

Family Member	Name	Place of Birth	Date of Birth

POEM

My Sister's Birthday

I kissed my sister on the cheek,
And played with her all morning,
We baked a chocolate cake,
And then tell her the stories.

We played hide and seek together,
I counted up to ten,
And when I'd found my sister,
We started all over again!

We danced and we sang songs,
We had the best afternoon,
I'm so glad we can do it again,
As it's my birthday very soon.

F. Questions.

1. When is your sister's or brother's birthday?
2. Draw a 'Wish Flower' for your sister and brother. Each petal represents one of their wishes. Think of a magical way of making their wishes come true on their birthday.

My School

A.

I Love My School.

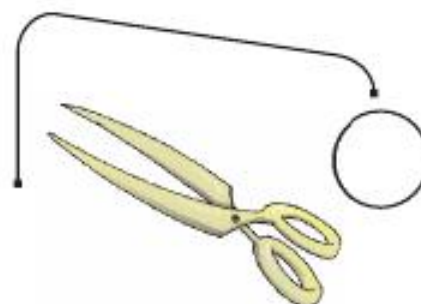

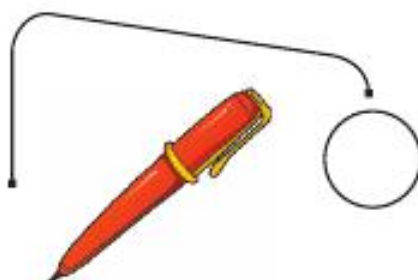

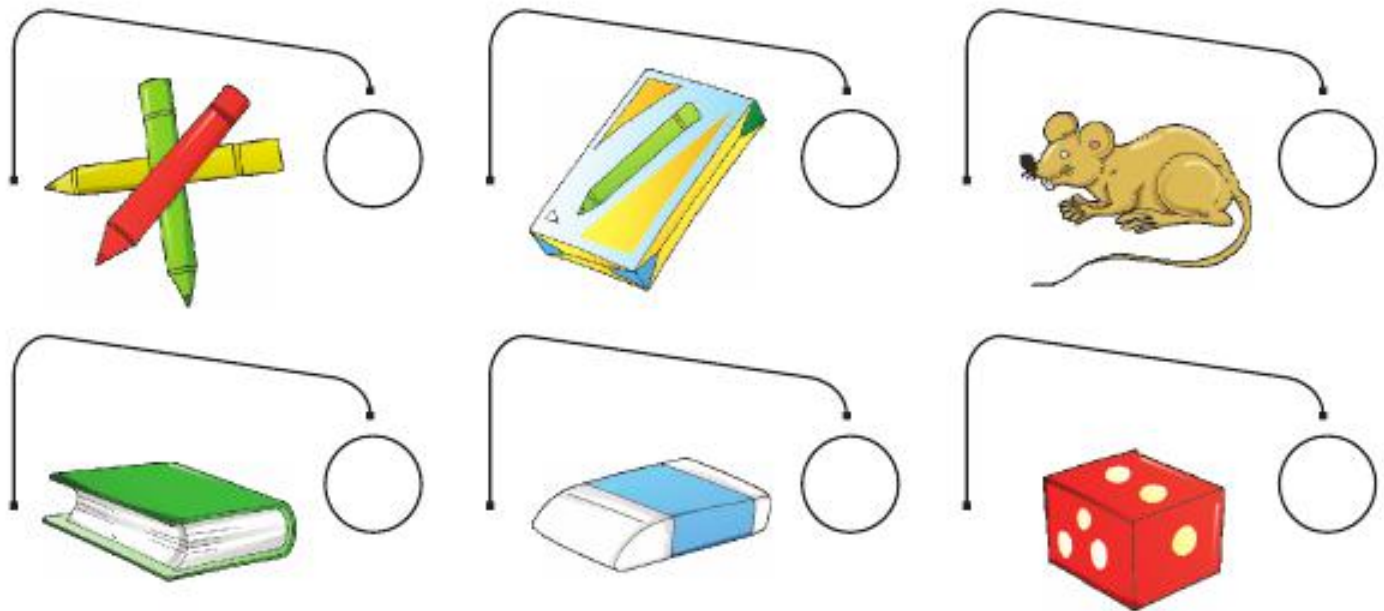

B. What is in my bag?

Computational Thinking 6

Tick (✓) the things which you keep in your school bag.

Be Fit

To be fit and healthy, we have to look after our body. We should get up early in the morning. Exercise, play and rest make our body strong.

A. Which of these habits keep us healthy. Tick (✓) the right ones and cross (✗) the wrong ones.

Life Skills & Values 

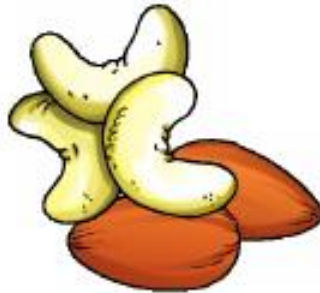

Posture

Posture is the way in which you hold your body. It is the way you sit, stand and walk. Correct postures keep your body fit. They also makes your look smart.

B. Circle the healthy food.

Computational Thinking 

Be Healthy

Keeping Clean

Mum said to have a shower,
And wash my hair well too,
I've been here for ages,
I think that will do.
Uh, oh, ! the towel is dirty,
Maybe I really laughter,
Next time I have a shower,
Stand underneath the water.

A. Healthy v/s Unhealthy behaviours.

Life Skills & Values

Write three healthy behaviours and three unhealthy behaviours :

Healthy

Example : Playing football

Unhealthy

Example: Watching T.V. all day.

B. Unscramble the words.

Critical Thinking 6

apapya

enpatu

elppa

rsawrbtyer

earp

Tips to a Healthy and Happy Heart

1. Add some fiber to your breakfast.
2. Eat your fruit with the peel on.
3. Go low fat with your cheese.
4. Change your grains (bread, butter, pasta etc.).
5. Add some beans to your dinner.
6. Add a handful of nuts in your salad.

BOTTOM LINE

Your heart is a muscle and loves a good workout. It needs exercise every day to be strong.

Recognition 6

C. Match the following pictures with the words.

A

B

brushing

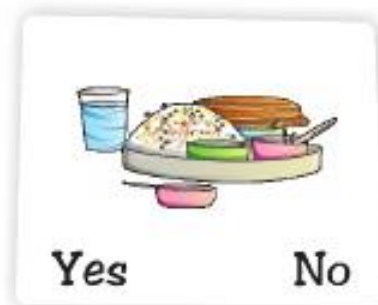

worshipping

eating healthy food

bathing

D. Mark (✓) 'Yes' on the pictures that show healthy habits and 'No' on the pictures that show bad habits.

Computational Thinking 6

E. Paste pictures showing some good habits.

F. Draw picture of your favourite fruit.

Safety Rules

DO NOT play with MEDICINES.

DO NOT play with FIRE.

DO NOT play with the STOVE.

DO NOT play with ELECTRICITY.

DO NOT play with ELECTRONIC GADGETS.

Some Other Safety Rules

1. ALWAYS wait for permission before entering in a class room.
2. ALWAYS ask permission before touching someone's property.
3. ALWAYS walk in the workshop, never run.
4. ALWAYS enter and leave the room in a quiet and orderly manner.
5. ALWAYS pass things carefully, never throw.
6. ALWAYS ask permission before using a machine.
7. ALWAYS tidy away your belongings when you finished with them.
8. ALWAYS listen to the teacher and watch demonstration carefully.
9. ALWAYS complete work to the best of your ability.
10. ALWAYS be happy.

A. Match the that all you find in the first-aid box.

Recognition

A

1. first-aid manual
2. adhesive tape
3. elastic bandage
4. soap
5. ointment
6. sharp scissors
7. thermometer

B

B. State whether the following statements are true T or false F. Critical Thinking

1. Wait for the bus in a queue.
2. Before crossing the road, look right and then left.
3. You should walk on the road.
4. We should speak on the mobile.
5. We should cross the road at the zebra crossing.

C. With the help of your class teacher match the words with their symbols.

Recognition

Maximum speed 60 kph

Traffic light ahead

Danger

No smoking

No parking

No U-turn

Slippery road

No dogs allowed

No spitting

Hospital

No eating or drinking

D. Look at the pictures and put a cross (X) on the ones that may cause accidents.

Our Helpers

We cannot do everything ourselves. Different people do different types of work. People who help us in our community are—

DENTIST

The dentist provides oral health services.

Fire fighters are rescuers trained to put out hazardous fire.

FIRE FIGHTER

DOCTOR

The doctor helps us to get well.

The policeman catches thieves.

POLICEMAN

POSTMAN

The postman delivers our letters/mails.

Nurse helps the doctors to examine and treat the patients.

NURSE

TEACHER

The teacher helps us with our lessons in school.

The tailor stitches our clothes.

TAILOR

MAID

A maid servant or a maid is a female, employed in domestic service.

A. Where do these people work?

Write the words in the spaces then match the places to the pictures below.

1. baker bakery _____
2. actor _____
3. secretary _____
4. fireman _____
5. scientist _____
6. headmaster _____
7. life guard _____
8. pilot _____
9. clown _____
10. postman _____
11. doctor _____
12. policeman _____
13. mechanic _____
14. zookeeper _____
15. film director _____
16. artist _____

HELP BOX

hospital	museum	circus	bakery	laboratory	theatre

Postman

Indian Festivals

Festivals are at the heart of people living in India. The numerous festivals are held throughout the year which offers a unique way of seeing Indian culture at its best.

Diwali

Diwali is a five-day festival. It is known as the “Festival of Lights”. For all the fireworks, small clay lamps and candles are lit during the celebrations.

Diwali

Holi

Holi

Holi is a two-day festival. It is commonly referred to as the “Festival of Colours”. People throw colour and water all over each other, have parties and dance under water sprinklers.

Dussehra

Dussehra is devoted by the celebration of the defeat of the demon king Ravana by Lord Rama.

Dussehra

Krishna Janmashtami

Sri Krishna Janmashtami, also known as Gokulashtami, is celebrated as the Lord Krishna's birthday. An exciting part of the festival involves that people climb on each other's shoulders and break the pot filled with curd hanging at a height.

Janmashtami

Raksha Bandhan

Raksha Bandhan

On this day, sisters tie a rakhi on the wrist of their brothers and pray for their long life. Brothers promise to take care of their sisters and give them gifts.

Christmas

It is celebrated on 25th December. It is the birthday of Jesus Christ. People go to Church for prayers. **Santa Claus** brings gifts for children. People share gifts and cakes with each other.

Christmas

Eid

Eid

On this day, people wear new clothes and go to the mosque to offer their prayers. People prepare a sweet dish called "Sewain".

Read This

There are different kinds of animals in the world.

Some are big. Some are small. Some live on land. Some live in water. Some can even fly. More of them live in the forest and are called as **wild animals**. Some of the animals that are useful to us are kept in farms. Some are kept as pets at home too. They are called **domestic animals**. Each animal or bird has its own home called "habitat".

C. Write the names of the animals in the correct column.

The Sky

Do you know about the sky? What do you see there. You see the Sun, the Moon and the Stars in the sky. These are together called heavenly bodies.

A. Look at the following pictures that you see in the sky and name them.

Recognition 

Hints

Rainbow
Stars
Clouds
Sun
Moon

The sky during the day

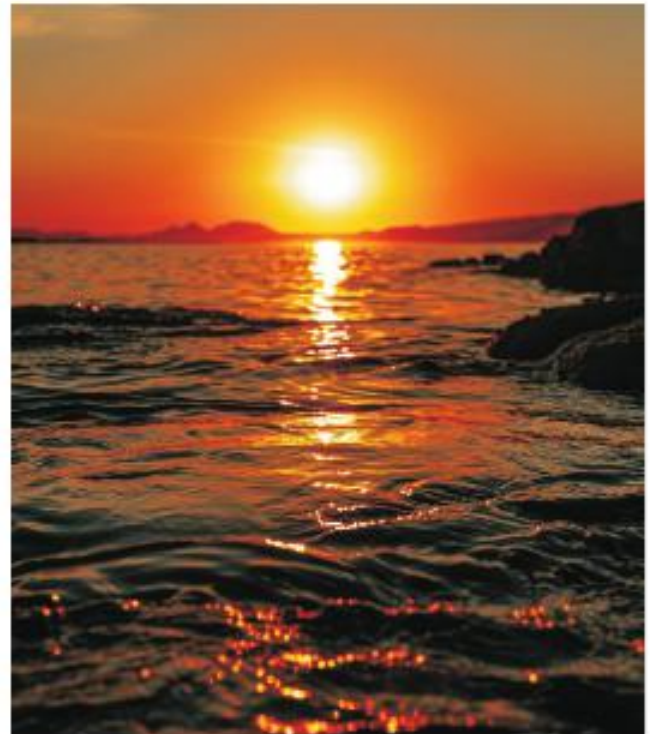

During the day, you can see the Sun in the sky. The Sun is a huge ball of burning gases. It is called a star. It is very hot. It gives us heat and light.

The Sun rises in the morning. It rises in the east. The Sun sets in the evening. It sets in the west.

The Sun rises in the east.

The Sun sets in the west.

The sky at Night

At night, you can see the Moon and the Stars in the sky.

The Moon

The Moon is a large round object that circles the Earth. The Moon is much smaller than the Earth.

The Stars

The Stars are very far away from us that is why they look very small. But they are very big in size.

B. Draw what you see in the sky.

Art Integration 

Day Time

Night Time

C. Match the word with the correct picture.

Sun

Moon

Earth

Stars

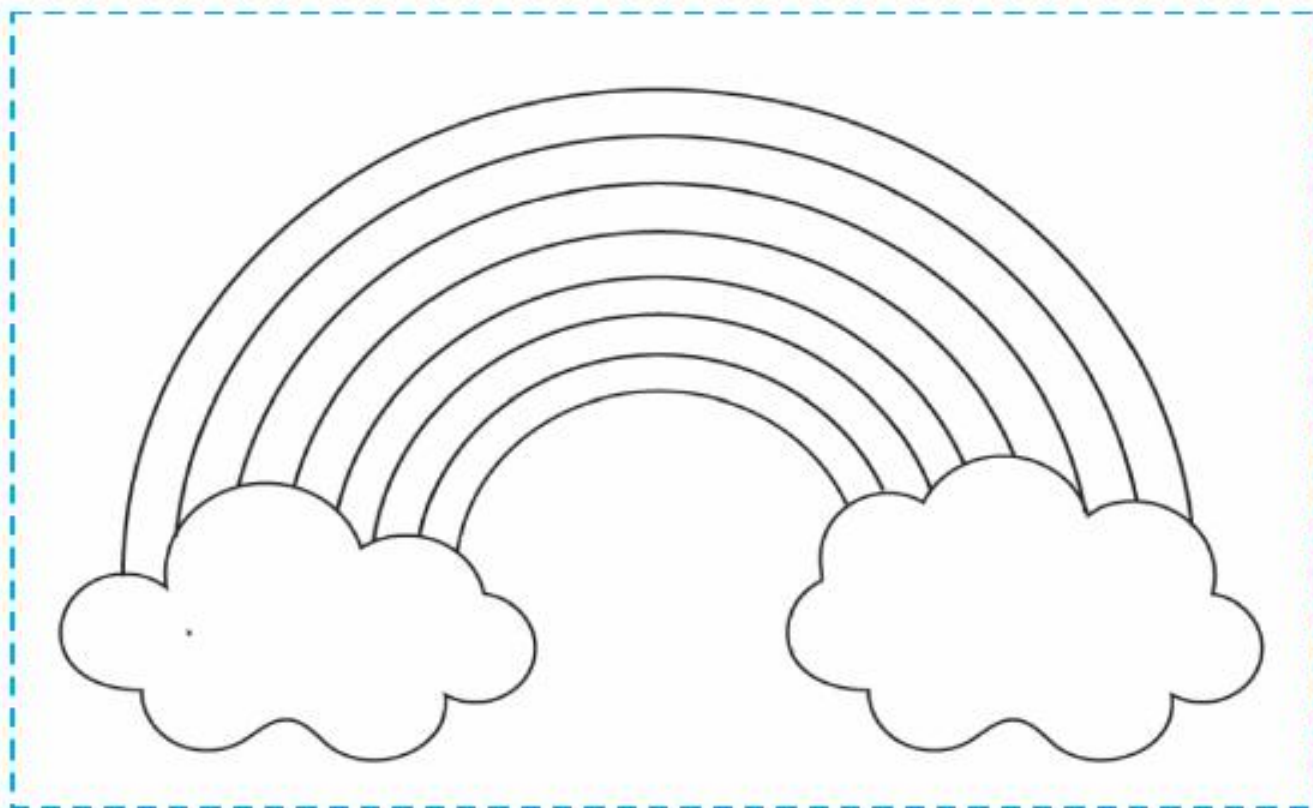

Clouds

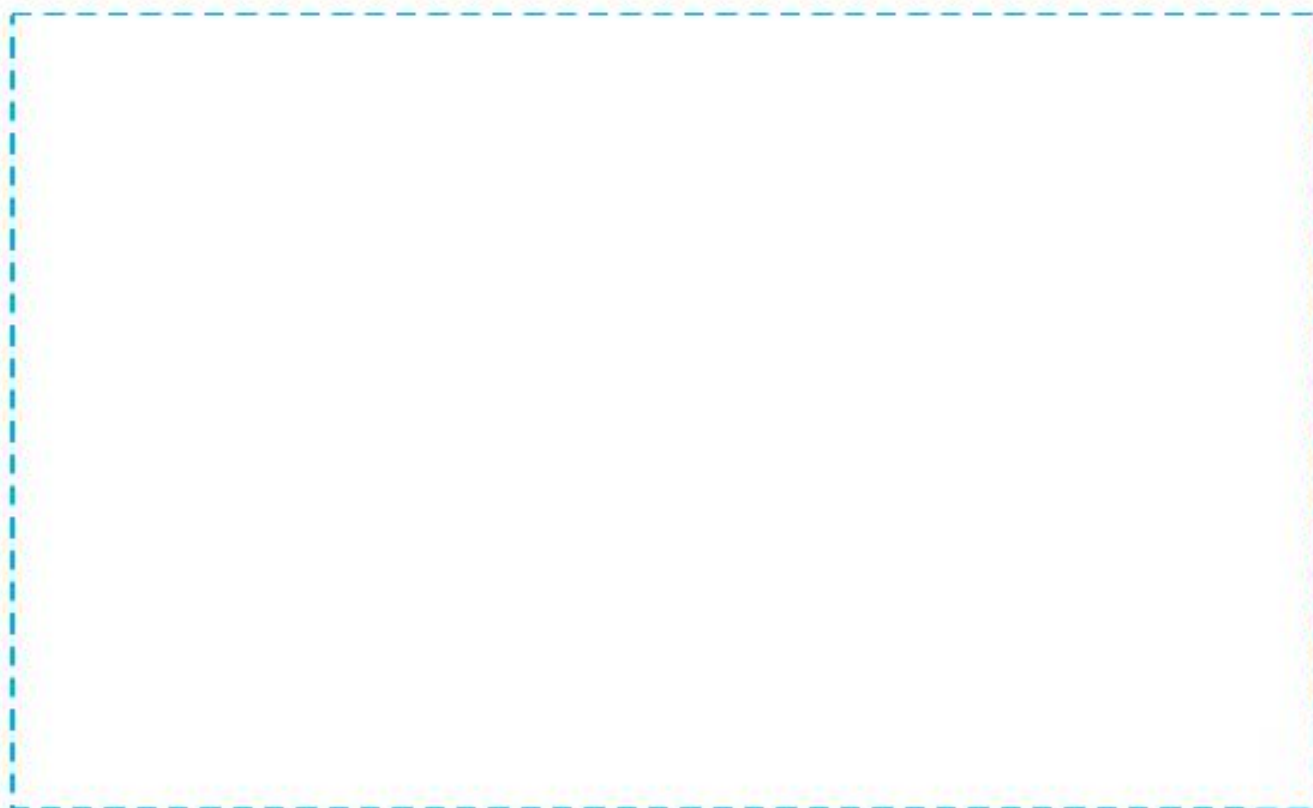

Rainbow

D. Colour the rainbow in the sky.

E. Draw a sun.

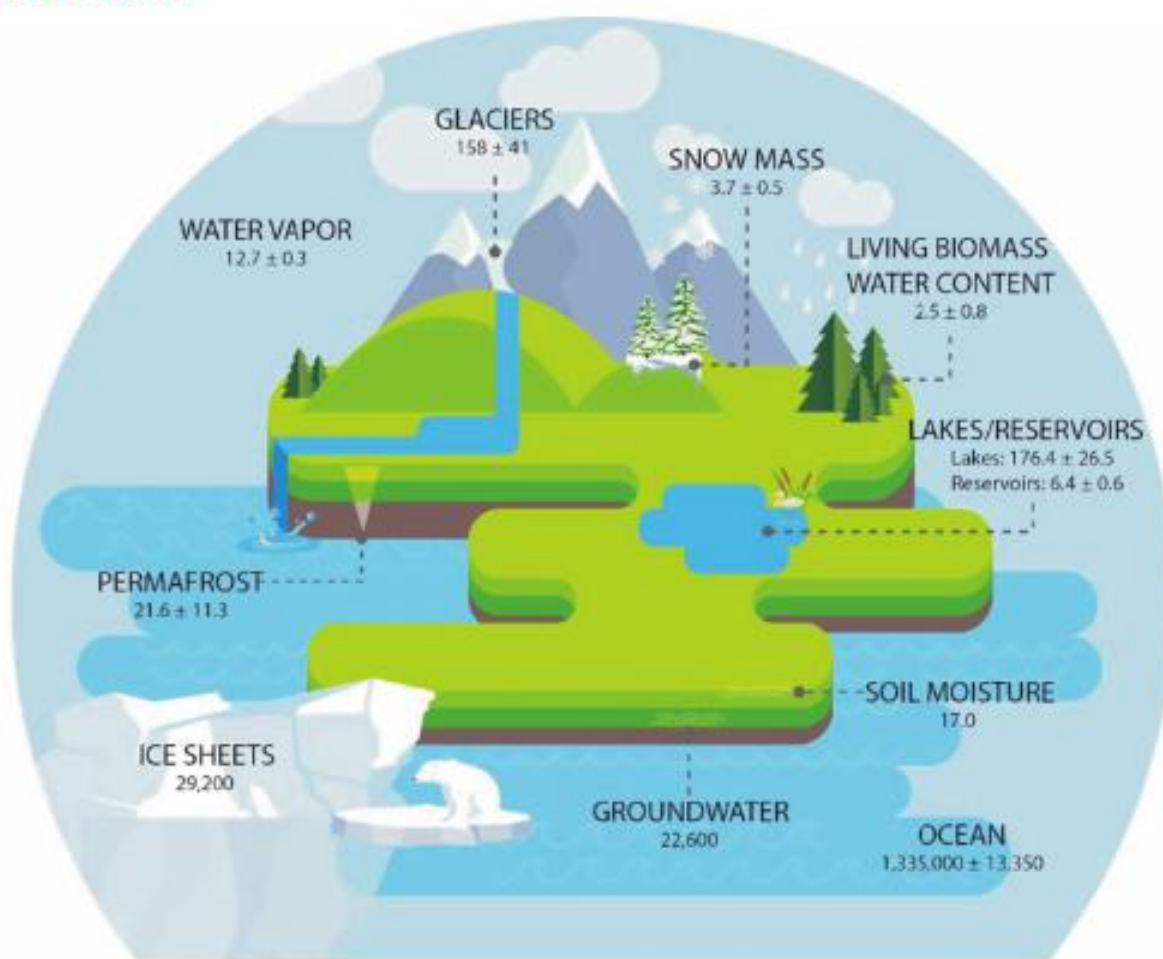

Water Bodies

Earth is a beautiful place. There are various water bodies on it. You must have seen rivers, oceans, ponds, streams and more.

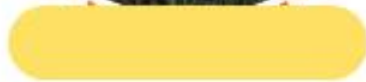

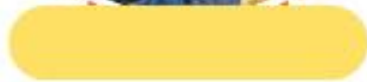

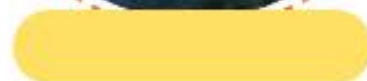

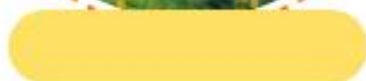

Our earth is called the water planet or blue planet because about 70% of the earth has water.

Global Water Storage

A. Name the following water bodies with the help of hints.

Hints

River
Lake
Pond
Ocean
Waterfall

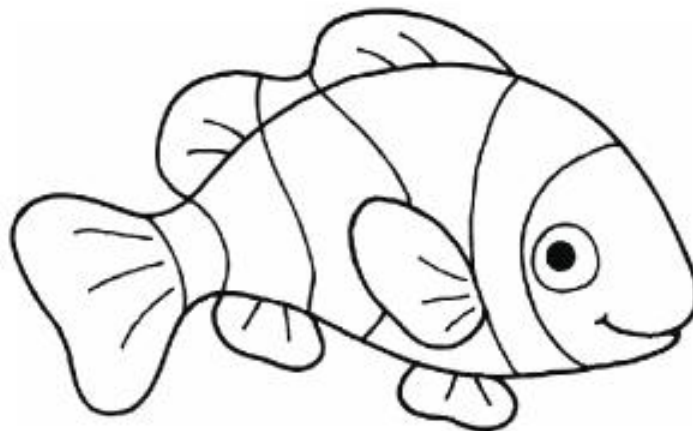

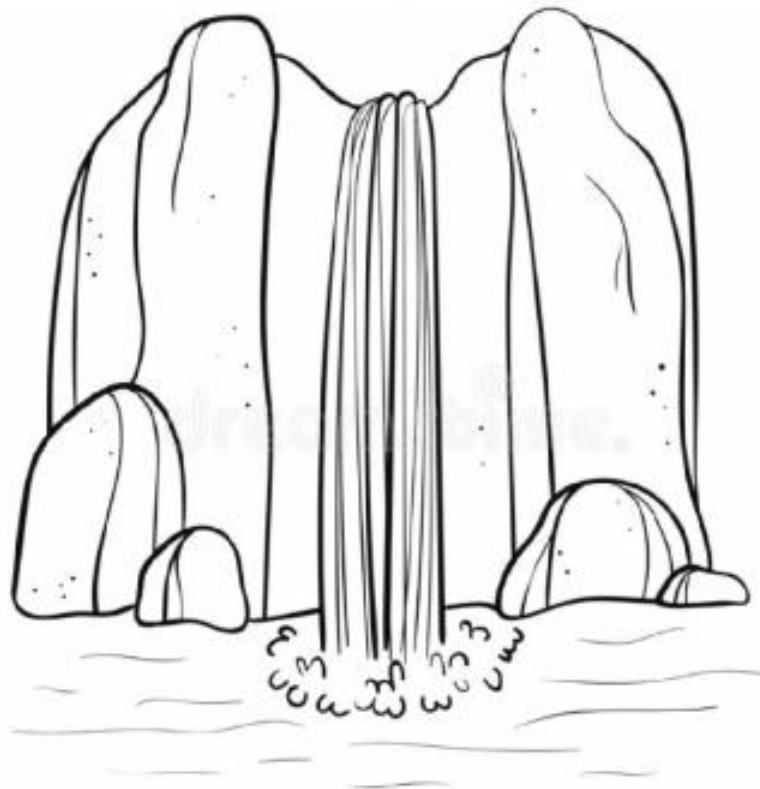

B. Tick (✓) the pictures in which you need water.

C. Identify the water resource and colour it.

Art Integration 

- D. Look at the given picture of the earth, colour the water part of the earth with blue colour.

- E. Water can be liquid and solid. Look at the given picture and write what is liquid at the given picture and write what is liquid and what is solid.

Means of Transport

There are three means of travelling from one place to another.

1. Land transport

2. Air transport

3. Water transport

Travel by Land

We use some vehicles to travel very short and very long distances on land. The vehicles that move on land are called **Land transport**.

Travel by Air

We use some fast moving vehicles to travel to far off places. The vehicles that move in air are called **Air transport**.

Travel on Water

We use boats to travel short distances on the rivers and lakes. We use ships to travel long distances in the sea and oceans. The vehicles that move on water are called **Water transport**.

A. Transport word search.

C. Here are the traffic lights. Read about each colour what they stand for?

D. State whether the statements are True or False.

Computational Thinking 

1. Train run on a track.
2. We must drive on the left side of the road.
3. We need transport to travel from one place to another.
4. We must move on when there is a red light.
5. We must not follow traffic rules.

E. Look at the given picture and tell what is it?

- Why is it used?

F. Look at the some road signs and write their names.

Covid-19 : Introduction

All we know about Covid-19. It is a virus named Corona Virus.

How does it spread?

Day One

1 PERSON
Infected

After 5 Days

2.5 PEOPLE
Infected

After 30 Days

406 PEOPLE Infected

The ways we can be caught by the Corona Virus.

**Infected with
COVID 19**

Infected Droplets in Air

Direct Contact

**Close Contact,
Droplets enter Nose,
Mouth and Eyes**

**Droplets
Land on Surface**

Touching them with Fingers

**Droplets
Finally get into Mouth**

We should avoid three Cs.

There are certain places where COVID 19 spreads more easily.

Crowded Places

with many people nearby

Confined and enclosed spaces

with poor ventilation

Close-contact setting

Especially where people have close-range conversations

We should do to be safe from Covid-19.

Wash hands frequently with soap and water or use a sanitiser gel

Catch coughs and sneezes with disposable tissues

Throw away used tissues (then wash hands)

If you don't have a tissue use your sleeve

Avoid touching your eyes, nose and mouth with unwashed hands

Avoid close contact with people who are unwell
