Ice Cream

You can see the picture of an ice cream.
This has been coloured with the
technique 'Knife Painting'.
You can use a wooden stick in
place of a knife for this kind of
colouring. Try to replicate
this on a separate
sheet.

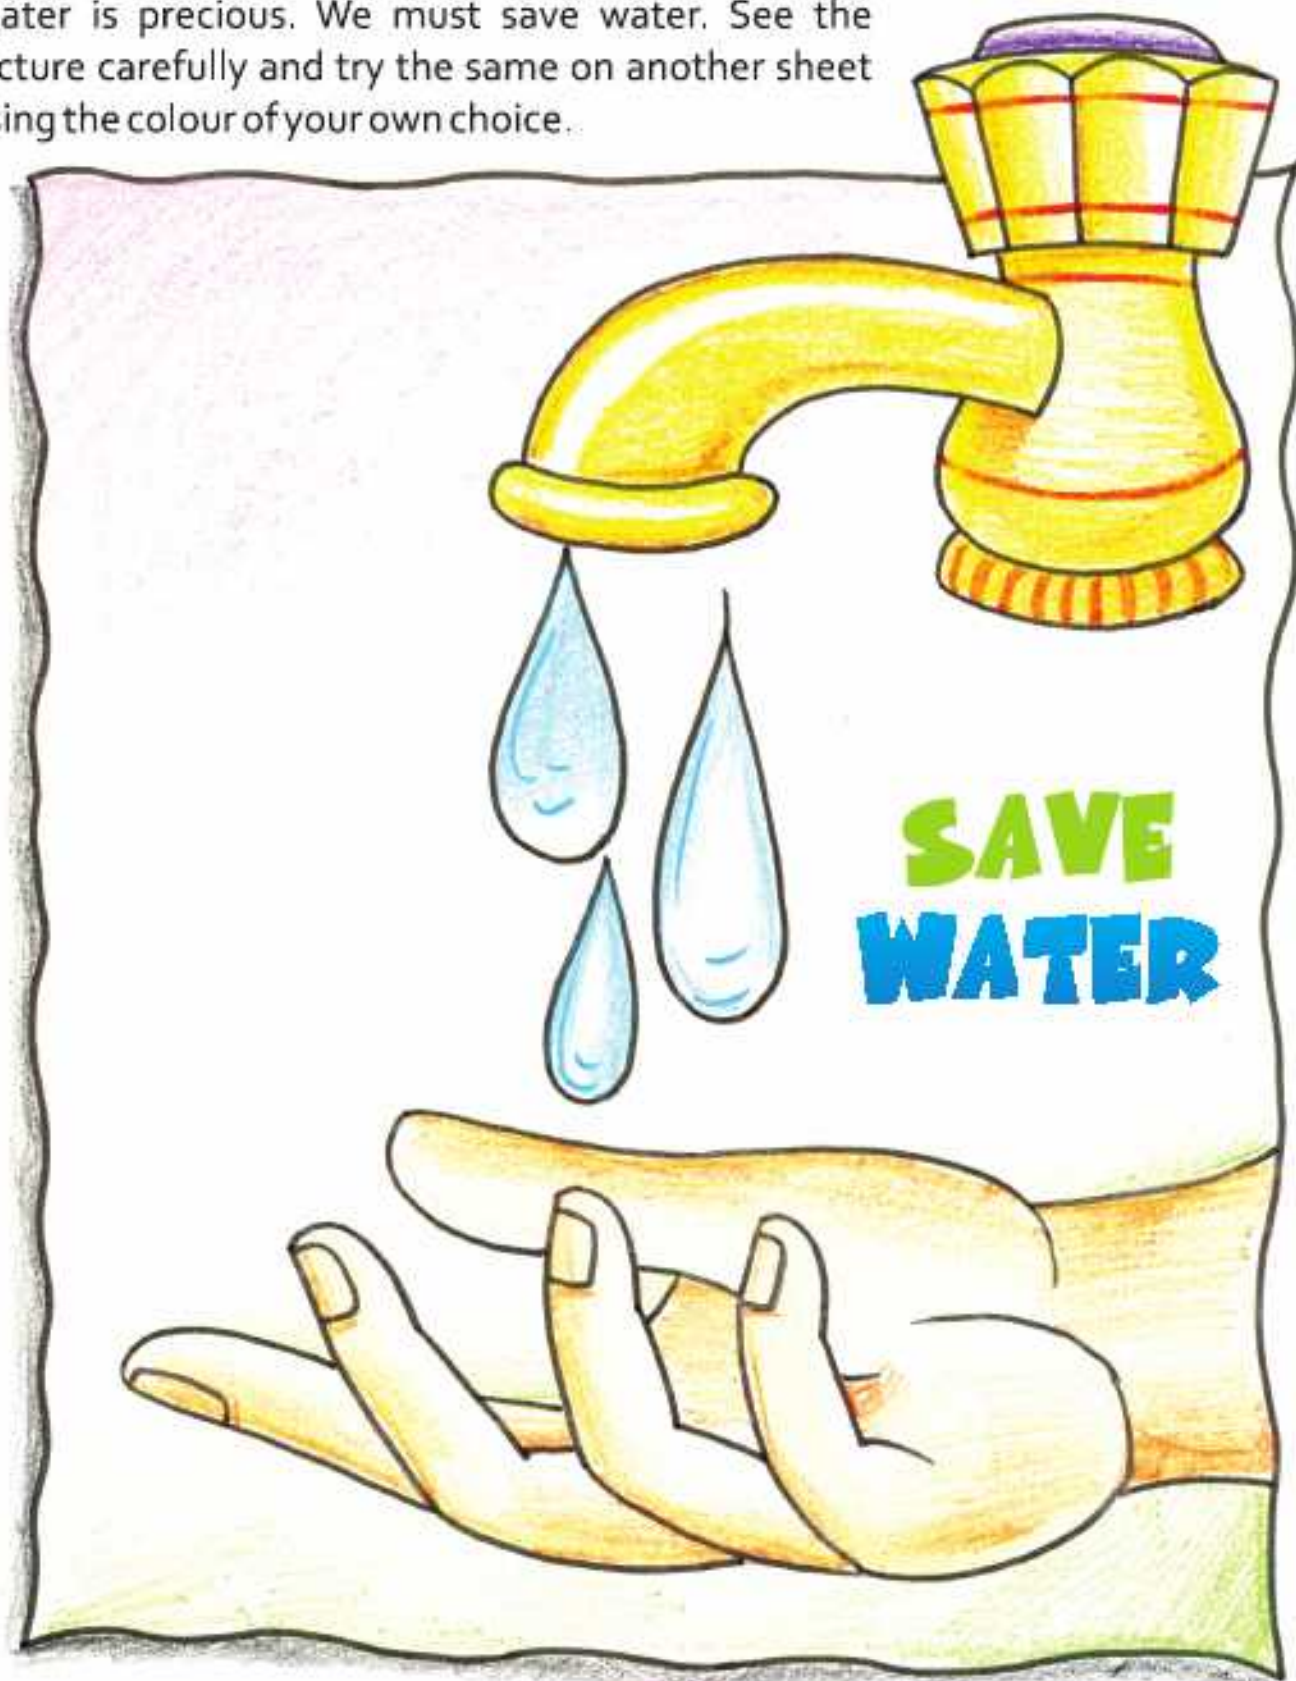

KNIFE PAINTING

Water

Water is precious. We must save water. See the picture carefully and try the same on another sheet using the colour of your own choice.

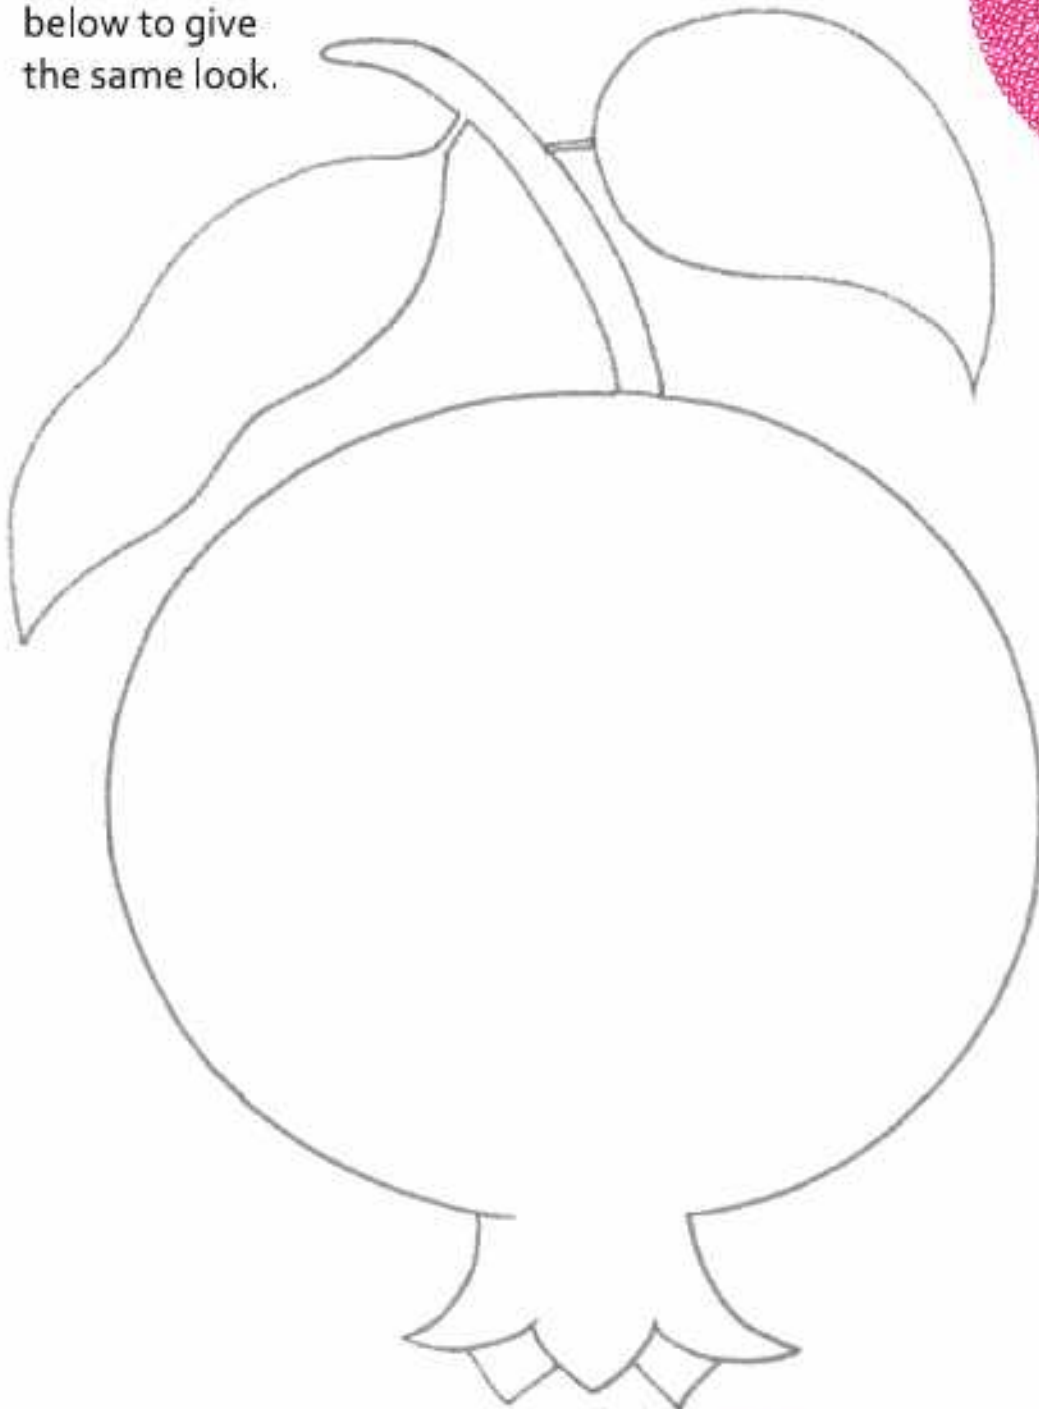

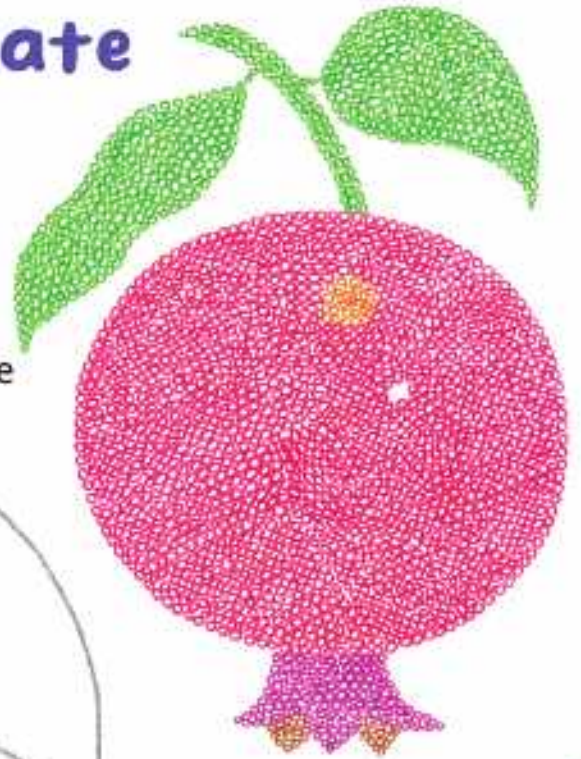

DRAWING & COLOURING

Tasty Pomegranate

This coloured pomegranate is looking very tasty. This has been prepared with the method 'Little Circle Activity', using sketch colours. Study the coloured picture carefully and colour the blank picture given below to give the same look.

LITTLE CIRCLE ACTIVITY

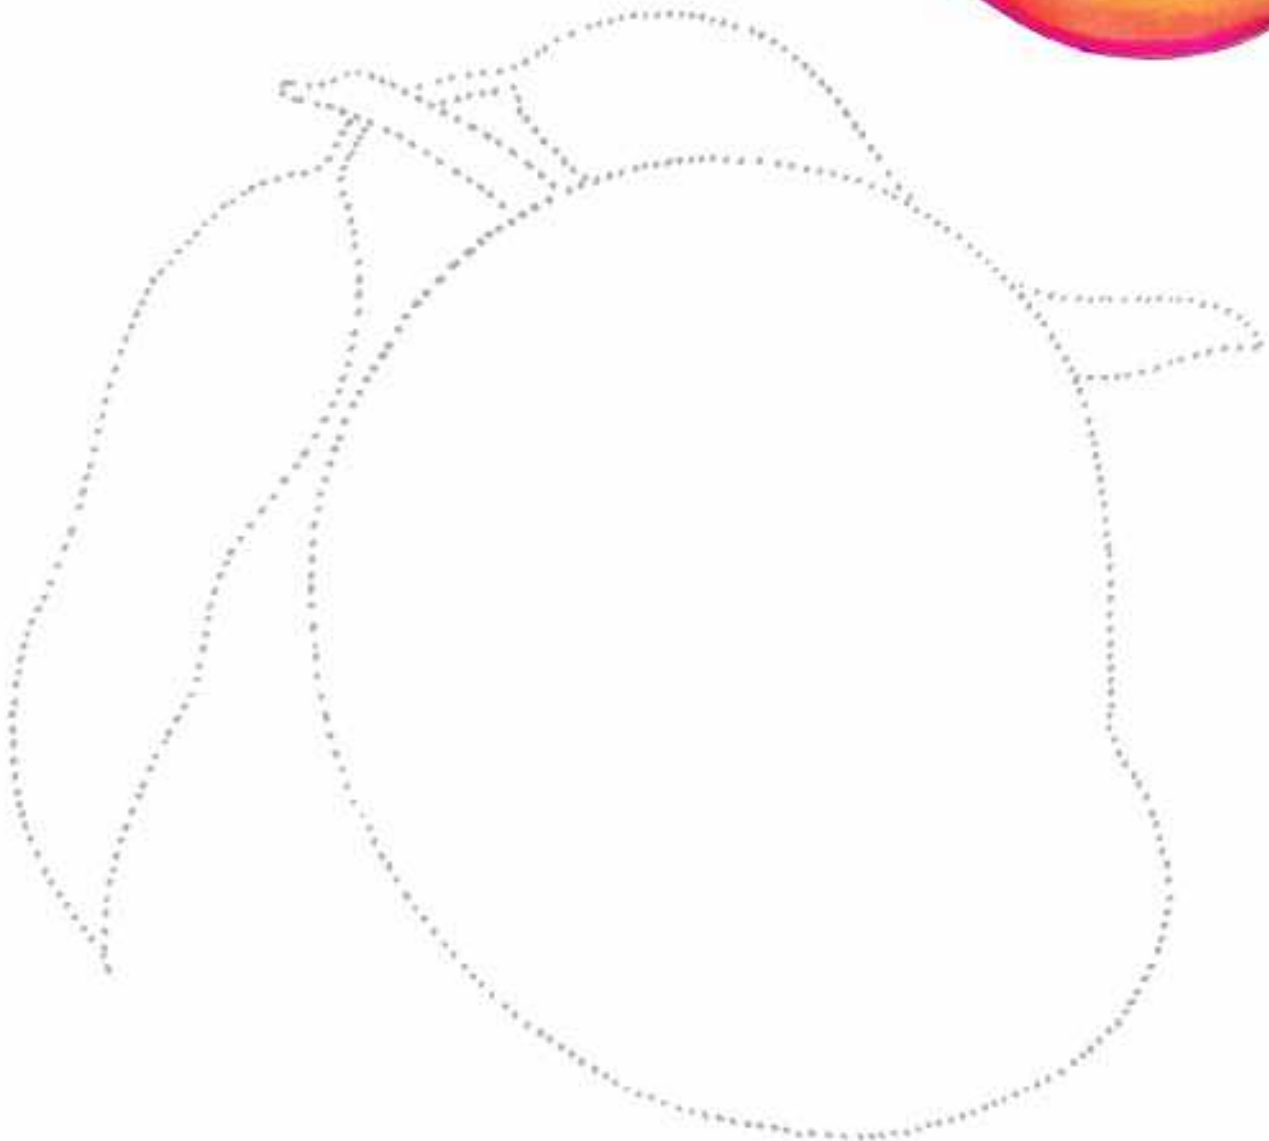

Delicious Mango

Mango is the king of fruits. Take a look of the coloured picture first. Then trace the blank picture of mango and colour it, following the same colour pattern. Use water colours only.

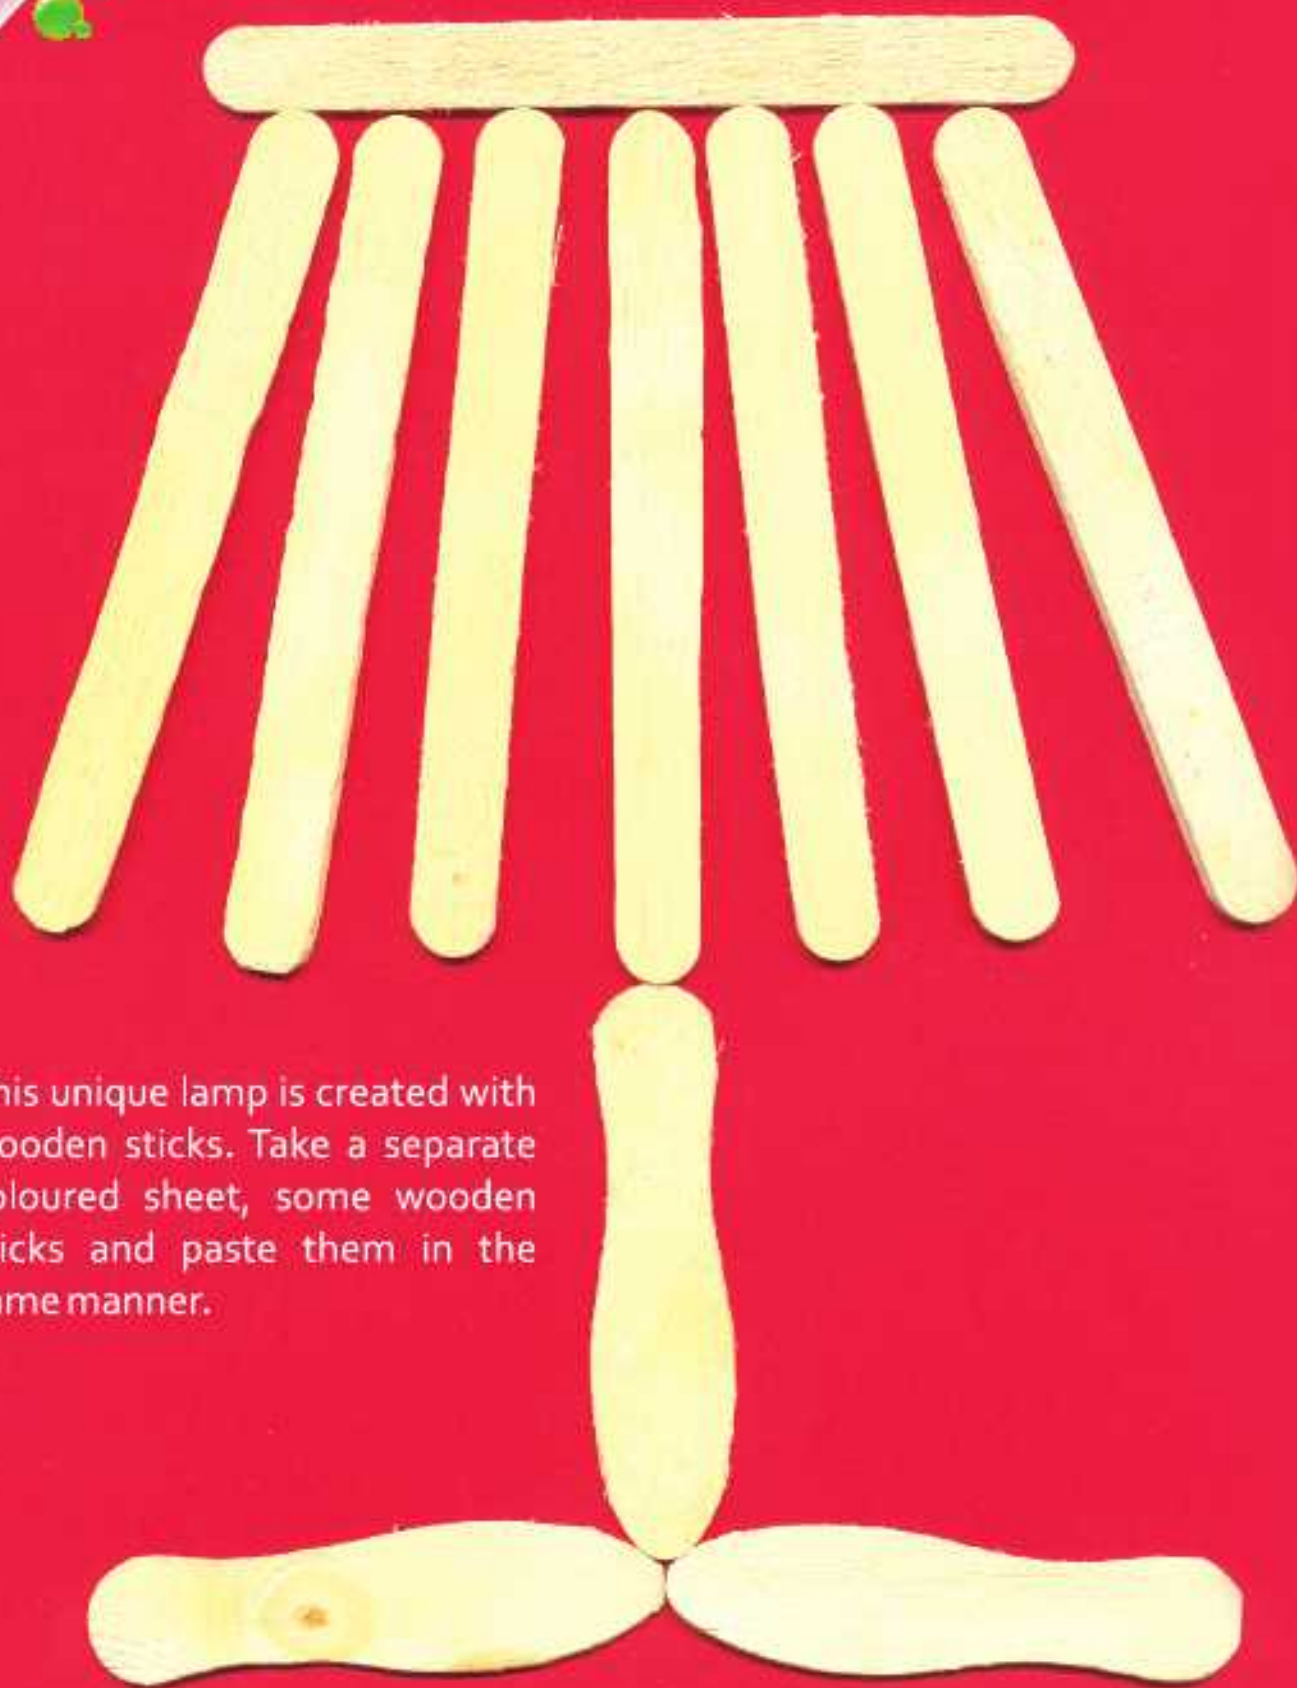

DRAWING & COLOURING

A Unique Lamp

WOOD STICK ACTIVITY

This unique lamp is created with wooden sticks. Take a separate coloured sheet, some wooden sticks and paste them in the same manner.

Two Little Musician

Two little boys are trying to compose a new kind of music. One of them is coloured but the other is not. Pick crayons of your own choice and colour the other boy to make him handsome.

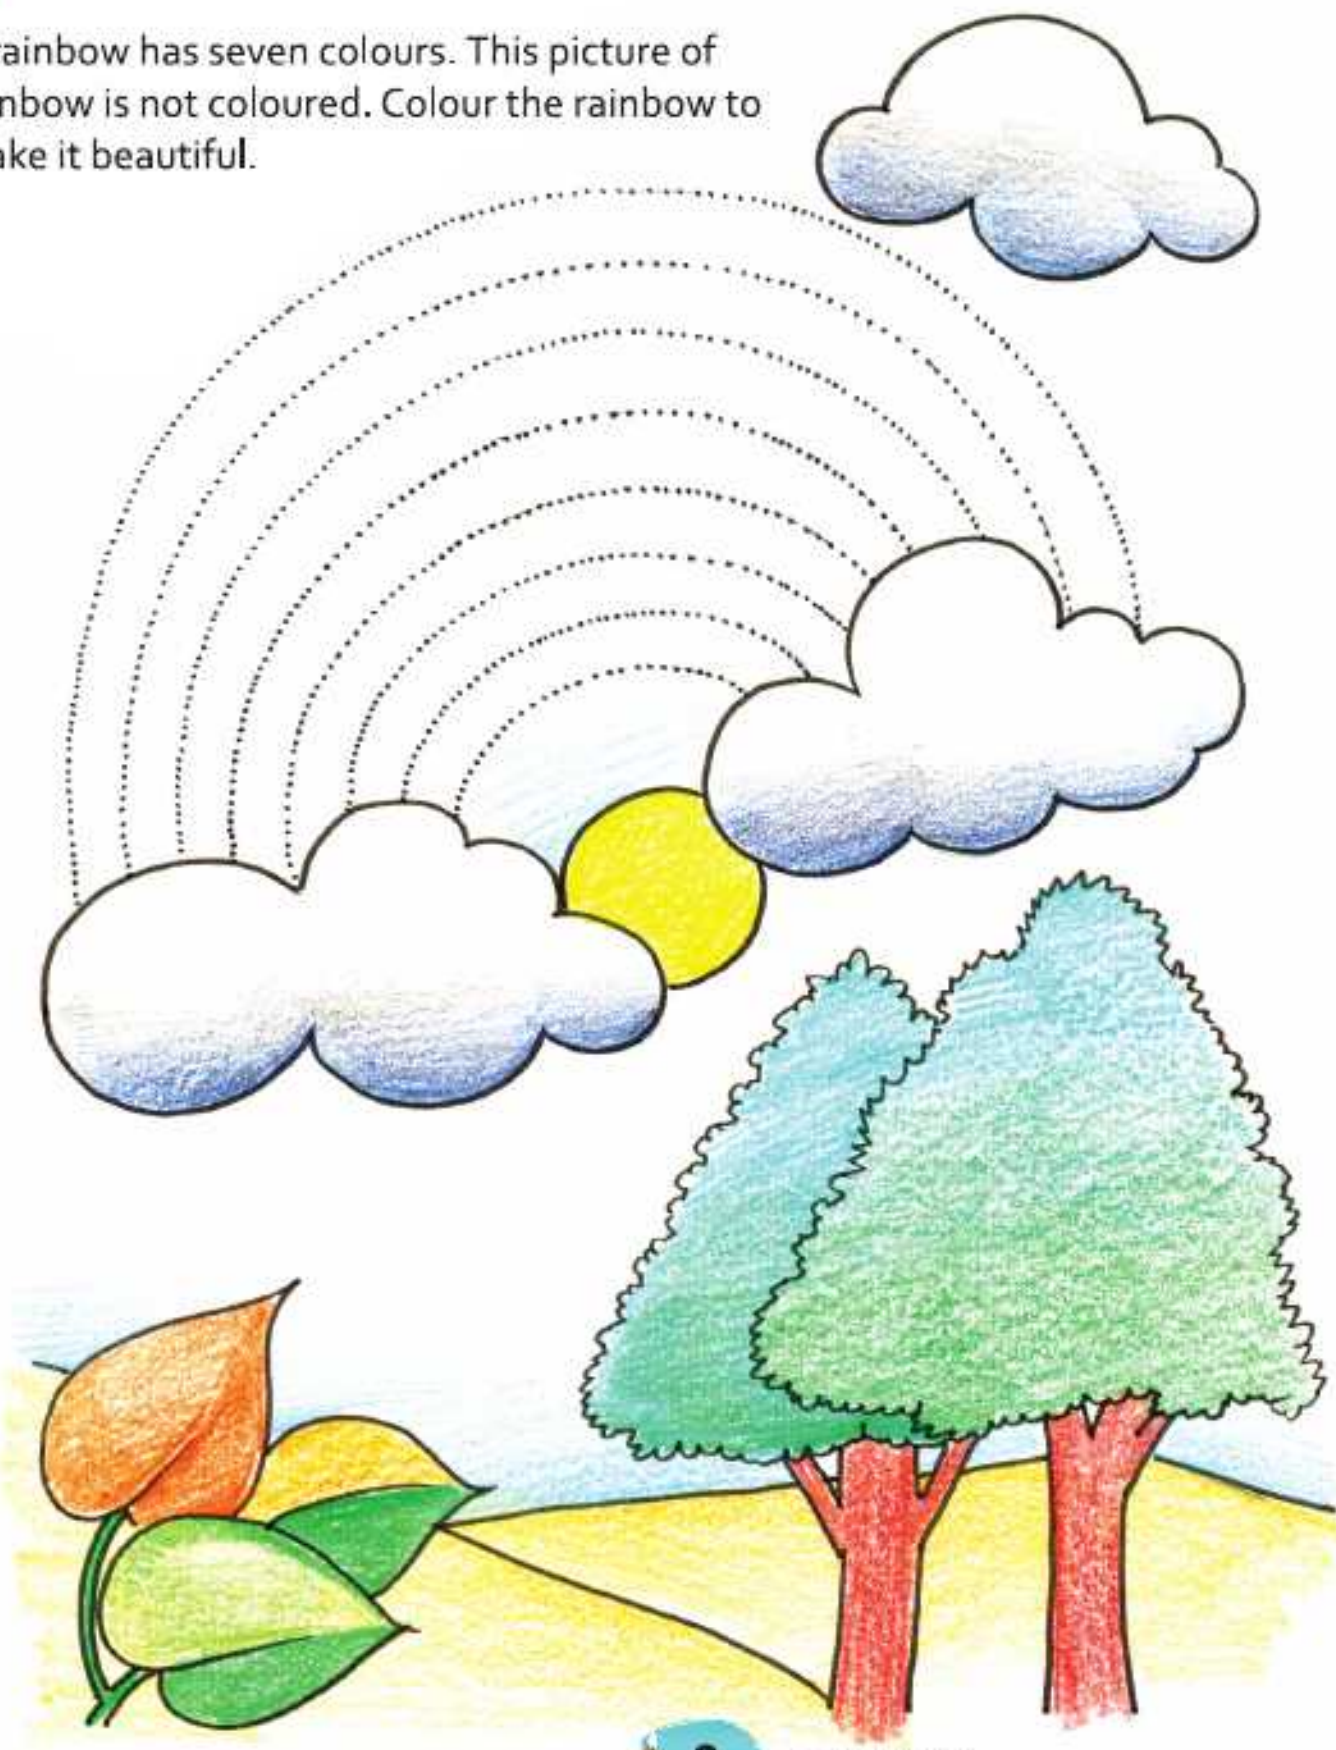

COLOURING

Vibrant Rainbow

A rainbow has seven colours. This picture of rainbow is not coloured. Colour the rainbow to make it beautiful.

COLOURING

Unique Design

It is an interesting design. Dip a thread into colour. Put it on the white drawing sheet. Press it with an old newspaper and pull very smoothly. Repeat the process.

THREAD PAINTING

Circle Tree

Study this tree very carefully. This tree has been created with paper cuttings. Cut the paper in appropriate shapes, make rolls of them and paste them in the manner as shown in the picture.

FUN TIME
